The Clerk,  
National Assembly,  
Abuja.

Dear Sir,

### LETTER OF REQUEST ON PUBLIC HEARING

My name is Fatai Abiodun, a final year student doing Masters' Degree in Law at the School of Post Graduate, Faculty of Law, Baze University Abuja.

Sir, I'm doing research work on "**Effective Lawmaking Process: The choice between representative and public participatory democracy**". The research aimed to examine the effect of public hearing and citizens' participation in law making process in Nigeria with reference to the powers of the National Assembly to make laws for the good governance of the Country.

Sequel to the above, I'm respectfully requesting for the statistics of the total number of Public Hearing conducted by the National Assembly (Senate and House of Representatives) from the year 2023 till date so as to compliment my research.

Sir, the research would be meaningless if I refused to get the requested statistics.

I would be very grateful if I can get this report in nick of time because I'm presently in Chapter 4.

Yours faithfully,

Fatai Abiodun
